

PRESS RELEASE

BUSHWHACKER RALLY 2020 CANCELLATION

Due to the current situation regarding COVID-19 and the uncertainty of its duration, it is with regret that Omagh Motor Club has taken the decision to cancel this year's Bushwhacker Rally which was due to run on 26th September 2020. The rally was scheduled to be rounds of both the McGrady Northern Ireland Gravel Challenge and the Valvoline Irish Forestry Championship.

The organising team have considered the recommendations of Motorsport UK and the recent guidelines set out by the Northern Ireland Executive for public safety and it was felt that it would be inappropriate during this period of crisis to bring helpers, rally crews, support teams and spectators to where the rally is based within the districts of Castleterragh and Killeter.

Omagh Motor Club would like to thank our main sponsor McKelvey Asbestos and the Silverbirch Hotel for their understanding of this decision and we hope that when this crisis ends, we will commence the organisation of the 2021 Bushwhacker Rally.

Stay Safe and Thank You for your understanding,
